

LIVE FIRE BRIEF

OIC/RSO: Read Items 1-10 below. Have names, DODICS, secondary comm number, and number of personnel training ready when making request to "Occupy". When requesting a "HOT" time, read the hot brief below to verbally verify you understand and will comply by stating:

"Range Control this is Range _____, I (Rank/Name) am the (OIC or RSO). I certify that:

- All personnel have received a detailed Safety Brief.
- Adequate Medical Coverage is present.
- The Safety Vehicle is present.
- The Range Flag is posted.
- Left/Right Lateral Markers are identified/visible per Range SOP.
- All Gates and Barriers are secured or manned and will not be bypassed.
- I have read and understand the Range Safety Order, Range Regulations, SOP for this range, items 1-10 of this brief, and will comply."

- (1) The OIC/RSO will immediately contact Range Control and request a pre-inspection if the range or training area is found in a poor state of police or will accept the condition and responsibility to police.
- (2) The OIC/RSO MUST maintain (in their possession) two forms of communication with Range Control **AT ALL TIMES**. Primary/Secondary: Issued Radio/Cell Phone or land line. The OIC/RSO will make radio checks every 30 min for live fire/3hrs for non-live fire events on the hour/half-hour.
- (3) The OIC/RSO will cease fire/training immediately if communication is lost. If OIC/RSO fails to make radio checks the unit will be placed into a check-fire until communication is restored.
- (4) OIC/RSO must ensure all **Blank** and **Live** ammunition is: Stored and issued separately, **NEVER** used at the same time, blanks fired before live rounds never after, ensure every participant, weapon, magazines, etc. are cleared/thoroughly checked before issuing live rounds or departing.
- (5) OIC/RSO will **IMMEDIATELY** contact Range Control and await further instructions as soon as a fire starts. **NEVER** enter dud impact area.
- (6) OIC/RSO will immediately cease fire and contact Range Control if any aircraft (to include UAV/UAS) enters the SDZ for that range.
- (7) MEDEVAC: Regardless of severity, the OIC/RSO will immediately contact Range Control to initiate emergency procedures.
- (8) Civilian participation requires prior approval from Commander, MCINCR, MCB Quantico OIC/RSO will ensure the Hold Harmless/Waivers of Liability are signed, on-hand, and notify Range Control when complete.
- (9) Completion of training: OIC/RSO will contact Range Control to request Post Inspection, "COLD" Time, and pass "End of Training" report (Ammo expended by DODIC), number personnel trained/vehicles in support.
- (10) Marine Corps OIC/RSO: **Range Safety Related AIN's** have been checked and read as part of detailed safety brief as required.

I, _____ CERTIFY I UNDERSTAND ANY/ALL CONFLICTS, RESTRICTIONS, HAVE READ AND WILL COMPLY WITH: THE RANGE SAFETY ORDER, RANGE REGULATIONS, RANGE SOP, AND THE ITEMS ABOVE.
